

Casalinghi con il cuore verde.

Catalogo prodotti

I prodotti "Utilgreen", realizzati attraverso la lavorazione di plastiche miste (plasmix) fino ad ora destinate a finire in discarica o essere bruciate nei termovalorizzatori, posseggono le stesse caratteristiche meccaniche dei comuni utensili in plastica. Non sono né coloratissimi né scintillanti. È una scelta. Il loro valore non sta nell'aspetto esteriore ma nel cuore, in quello che hanno dentro.
